[enquiry@gkexpertise.com](mailto:enquiry@gkexpertise.com)

## Our Services

- Testing and Commissioning of Substation
- Retrofitting of Numerical Protection Relay
- Transformer Service
- On Load Tap Changer Service
- Testing and Commissioning of Substation Automation System
- Operation & Maintenance in Power Sectors

## Our Products

- Transformer
- On Load Tap Changer
- Control & Relay Panel
- Numerical Relays
- Medium Voltage Switchgears
- Low Voltage Switchgears

## Our Trading

- Protection Relay & Metering Equipment
- Testing Equipment
- WTI, OTI, PRV & Buchholz Relay
- Transformer Oil
- Radiator & Cooling fan
- Conservator Tank
- Breather & Silica Gel
- Transformer Auxiliary Parts
